

Multi-Media Badge Workshops for Juniors

Customization? No problem. Ask about our custom workshops for multiple age levels, and how to join an open workshop!

Engage Thru Tech offers group custom workshops* with a blend of computers and experiential activities for badges and journeys! In these **custom workshops**, we'll bring all the equipment to the **location and time of your choice... or online!**

New! "Coding for Good" Badge Workshop Series

Now there's a techno-fun way to learn how to code! Use coding for a simple video game, create a simple app, and experience coding processes such as algorithms, loops, conditional statements, user centered design, events, and debugging! Share your games with family and friends and make them even better!

Photography Badge Workshop

Take your photography to the "next level!" Learn from professionals how to frame a shot to create interest and a focal point, while assuring proper lighting and focus! Then use what you have learned to either make greeting cards (face to face workshops) or a video that celebrates a special event or holiday (online workshops)!

"Playing the Past" Badge Workshop

Ever want to live in days gone past? Use green screen video production technology to "become" your woman heroine by digitally placing yourself via **green screen** in their "home town!" Add authentic costumes, music, and a bit of techno-fun, and you've earned yourself the "Playing the Past" badge... AND created a cool green screen video!

"Entertainment Technology" Badge Workshop

What do computer video animation, green screen video production, cell phone ring tones, and a bucket of water have in common? Come find out in the most fun you'll have at a badge workshop, earning the "Entertainment Technology" badge! Create two animation videos (2-D and stop motion), a green screen video, and **custom ring tones for your cell phone!** This is a workshop you **WON'T** want to miss!

BADGES

Photography Badge: (4-5 programming hours): \$52/girl or \$68/girl with gifts (face to face workshops)

Coding for Good Badge Series (3 badges, 6 program hours): \$62 per girl

Playing the Past (6 program hours): \$62/girl
