

Summer Camps 2021: Start Your SAFE Summer Adventure Here!

Engage Thru Tech announces their SAFE Summer Adventure camp schedule for the summer of 2021! We have something for everyone! Whether you are looking for a “face to face” camp delivered with detailed attention to CDC standards, or an active, project-oriented Live Online workshop from the comforts of your own home, let Engage Thru Tech be your SAFE Summer Adventure destination! Bring your STEAM (science, technology, engineering, art, and math) skills to the next level! YOU drive the storyline of the moviemaking or video game, while learning new tech skills, with “just the right amount of challenge.” And by working in teams, (remotely or in a socially distant manner), you cultivate not only your “techno-IQ,” but also your social IQ as you develop imaginative plots “greater than the sum of the individuals!” **** All times quoted are Pacific Time**

Summer STEAM, Younger Session (Face to Face, Ages 7-11, \$295)

Features citizen science, coding, engineering, 2-D animation, and moviemaking!
